

**Restore Park Retreat
Invasive Plant Removal Event
In Cooperation with
AAWR (Anne Arundel County Weed Resistance)
Friday, June 23, 2023
9 am to 12 noon**

Forest Conservation Area #9 in Park Retreat subdivision is overrun with a who's who in invasive plants, including oriental bittersweet, multiflora rose and English Ivy. Volunteers are needed to help restore this area. AAWR will provide gloves and tools but feel free to bring you own. Feel free to come late and/or leave early. Refreshments provided!
