

**The English Ivy is No Longer Welcome**  
**English Ivy Removal Event**  
**Sunday, November 26**  
**1pm - 4pm**

The negative aspects of English Ivy are innumerable! It has been in the US for almost 300 years and has more than worn out its welcome! Forest Conservation Area #9 in Park Retreat subdivision is overrun with English Ivy and it must go!

Volunteers are needed to help remove the ivy. Feel free to come late and/or leave early. Refreshments provided! Volunteer hours given for this project. Please state that Fran Garcia approved this project when reporting your hours.

103 Natalie Lane,  
Millersville, MD

Ample parking.

Follows signs to  
site

(2 minute walk).
